

The Prayer Hall has magnificent Islamic designs and features. The *mehrab* has inlays of semi-precious stones embedded into carved marble, skilfully crafted by the descendants of artisans who built the Taj Mahal.

Turquoise-glazed tiles cover all 22 domes, inspired by the Sultan Ahmet Mosque in Istanbul and the Masjid Imam of Isfahan.

Intricate wood carvings of floral patterns by Malaysia's best wood carvers adorn the doors, screens and the *mimbar*.

The cool verandas lined with Moroccan-styled archways and spacious courtyard with the Main Arch complete a panoramic view.

Free guided tours daily from
10am to 6pm
(except on *Eid Fitri* and *Eid Adha* holidays).

Visitors may observe the congregational prayers.

MASJID WILAYAH PERSEKUTUAN

Masjid Wilayah Persekutuan
is the state mosque
situated in the
Federal capital of
Kuala Lumpur.

Perched on a gentle hill and
surrounded by a moat, this
“Mosque in a Garden” appears
to be floating on water.

It is one of Malaysia’s largest
and modern mosques, with
a spectacular mix of Islamic designs
and architectural styles from Turkey,
India, Iran, Morocco and Malaysia,
all in perfect harmony.

The geometric designs, Arabesque
patterns and intricate calligraphy
bring beauty to a true work of art.

Opened to the public on
25th October 2000,
the Masjid, with a built-up area of
47,000 sq metres, can accommodate
17,000 worshippers at a time.

The Masjid has a wide range of
facilities to cater for all segments
of the community.

Friendly and knowledgeable
Masjid volunteers will take you
on a journey that will enrich
your understanding of the Masjid
and its place in Islam, and make
your visit truly memorable,
In shaa Allah (God Willing).
